Old Business:

Russ Borneman passed away April 16th. His family sent Joanne a thank you note.

Linda talked about the Wenatchee show. It was a great drive there. When it was time to drive to the restaurant to register, no one directed us but we all made it. The wind was blowing and it was cold at the dam site. Kristie won 1st for C4, Bill & Sandy won 1st for C5. The dinner after was very good, however the other clubs were very disrespectful and rude towards the Wenatchee club. When they were thanking people and trying to speak, most of the crowd was talking amongst them selves.

Trailer day will be May 19th. Meet at Petco at 11am. Bring your baskets. We will go to the Dragon Inn after. Rissa just had knee surgery and is having another surgery on the 19th. We will make sure she doesn't need to do anything. We will bring cookies.

Discussed our car shows June 1st and 2nd. John Lucke attended the chamber meeting. They will have more info next meeting. Dave will help with the barriers.

Bill Ruch let us know the trophies are ready, Kristie will pick them up.

Those going to the Vett-A-Bratton in Yakima, we will be leave from Petco at 10am and meet others in Monroe at the Arco to leave at 11am.

June 22nd, Car show at Sandy's center. Bring side dishes & dessert. Meet at Petco at 11am, will meet Bill at a designated site to lead us there. More to come.

drivers license. The club cost for the permit is \$30.00. Doyle has the banner. We need to figure out a way to show it in the parade.

The club voted to give the Special Olympics \$250.00. They have moved their show it is in conflicting with several others.

Old Business:

Trailer day was May 19th. The weather was decent. All went well with cleaning out and organizing the trailer until it came time to work on the power. The power has not been repaired and we managed to blow Paul's power out for an hour and a half. The trailer needs to be taken to a shop for repair. A motion was given for that repair and was approved. We do have fire extinguishers in the trailer but not sure of their age. Dave Overton will give us more. Dave and Linda have received several calls about the show including calls from Canada. The Blast From the Past show is the following week so it won't interfere with the Sunday show. Doug will get change.

Be there at 7am, wear black club shirts and bring your radio.

Those going to the Vett-A-Bratton in Yakima, we will be leave from Petco at 10am on Friday June 7th and meet others in Monroe at the Arco to leave at 11am.

June 22nd, Car show at Sandy's center. Meet at Petco at 11am, will meet Bill at Frontier at 11:30 to lead us there. Bring salads, side dishes & dessert, they will provide hot dogs and hamburgers.

July 4th Parade in Sedro Woolley. The parade starts at noon, we need to be there 2 hours early. Sign up sheet sent around, the city requires drivers license numbers.

July 28th we will go to Dan Jubie's home to see his cars. He's excited to see a yard full of Corvettes. He won't be able to attend our show, his granddaughter is graduating from UW. Linda will bring donuts.

(Minutes of the May 28, 2019 continued)

Leave Petco at 10:30, meet others at the 300th park & ride at 10:45.

Bill Amman has researched the radios we have. There is another frequency we could use that the Marque Club uses, but it is not a legal frequency. You are ok to listen but not speak or you may be fined up to \$14,500 a day. Ann explained you would need to give your call sign every 10 minutes.

Reminder that dues are to be paid by May 31st. Dues are \$30.00.

Corvette News:

What you need in your garage:

1968 Chevrolet Corvette SunRay DX L88 Race car, prepared for Racing by Don Yenke. Raced by Yenke, Revson, Rodriguez at Daytona and Sebring, 4th in Class Daytona 1968.

The mythical L88 power plants beginnings are rooted in Motorsports. Director of General Motors performance division Zora Arkus-Duntov, wanted to give Corvette owners the ability to take a car off the showroom floor and have the ability to go and win races. When properly optioned with the L88 package and prepared, these cars were formidable on circuits in both the US and Europe. From 1967-1969 only 216 L88's were built.

CORVETTE RACING AT MID-OHIO: Runner-Up Charge for No. 3 Corvette:

Antonio Garcia and Jan Magnussen climbed the GT Le Mans (GTLM) podium for the second consecutive year at MidOhio on Sunday in the IMSA WeatherTech SportsCar Championship's Acura Sports Car Challenge.

The pairing went from seventh at the race's start to a second straight runner-up finish in the No. 3 Mobil 1/SiriusXM Chevrolet Corvette C7.R. Solid driving, a clever early-race strategic call and the team's usual excellence in the pitlane all contributed to the result.

From the early going, it appeared the No. 4 Mobil 1/SiriusXM Corvette of Tommy Milner and Oliver Gavin would control the GTLM race. Milner went from fourth to second at the start and assumed the point as officials ruled the then-lead Porsche jumped the green flag. Then disaster struck. Running second to Garcia, Milner reported a mechanical problem near the one-hour mark of the race. Once back in the garage, the Corvette Racing crew replaced the left-rear axle and sent Oliver Gavin out for the rest of the way.
